Dear Parents of ILSW,

Jesus is in the boat! (If you don't know what that means, watch our chapel on Facebook from yesterday afternoon!)

The teachers that instruct and care for our 2 year olds-8th grade have been working ABOVE AND BEYOND to transfer normal daily life at ILS to online learning at home.

It is very important to set up a workspace at home where students are going to be able to learn and not be easily distracted by other things going on in the home.

You will be getting communication directly from your teacher(s) (if you have not done so already) about Google Classroom(K-8) or Seesaw (preschool).

Communication:

Your teacher will communicate with you via FastDirect **IF** you have something to pick up. Some teachers sent items home already, some teachers have it 100% online and some teachers have some additional materials to pick up from school.

Plan for distribution of Chromebooks and other materials: Families can pick up all school given materials:

Thursday, March 19th from 10am-noon and from 1-3pm or

Wednesday, March 25th from 10am-noon. All of the materials are in the Fellowship Hall.

Please pull in under the large church overhang and we will bring your materials to your car.

Middle Schooler's that were absent on Monday and/or Tuesday: The above times are also the times that middle school students (6th-8th) will be able to clear out their lockers if they were not in attendance on Monday or Tuesday. If your middle schooler was in attendance on Monday or Tuesday, they were already sent home with all of the contents of their locker. They will not be allowed up to the locker area because they already have everything they need.

Chromebooks Rentals: You will only receive a Chromebook if you signed up for one via the link in previous communication.

Online learning devices: You do not need to have a "Chromebook", any device that can connect and access the internet will work.

Special Instructions to connect your child(ren)'s PERSONAL HOME DEVICE to Google Classroom:

<u>Unlock your child's device for Google Classroom</u> Google Classroom Support

It is imperative that the steps be completed before the first day of online school (March 26th). Please check to make sure you can get to your child(ren)'s Google Classroom no later than 1pm on March 25th.

ILSW Online e-learning etiquette contract:

Every student and parent must sign this contract by March 25th. It outlines the rules, regulations and consequences for breaking ILSW e-learning etiquette. Sign Contract here.

LOOKING BACK

Participated in the interviews at the seminary; excellent candidates

We designated 2 for assignment; praying we receive one of them

Had 2 pre-marriage couples in for meetings; did 2 chapels; 1 Parklane service

Met with some of you to discuss our ministry needs, including staff needs

CORONA RESPONSE

Will re-evaluate after 2 weeks; may move to live streaming the services if this is extended

What to do with Tuesday morning Bible classes?

Press on? Zoom?

If we extend beyond 2 weeks should we have Pr. Matzat teach a Bible class that we can record?

We have suspended shut-in visits
